

**2022 – 2023 ASSESSMENT CALENDAR  
Glades County School District**

Please note, the Florida Department of Education may revise and update the K-12 Assessment Calendar as needed. The windows below denote the amount of time provided for districts and schools to select progress monitoring administration days; they do not represent the amount of time students spend taking progress monitoring assessments. The windows are established to provide maximum flexibility to efficiently deliver these important measurements of student progress and performance and maximize student learning and instructional time.
